MyGlue
Simple. Smart. Secure.

Discovery

MyGlue discovery is split into 4 categories: Security, Collaboration, Efficiency, and Process Optimisation.

1. Security

1. Do you use a password management tool? YES/NO
   - NO - Why?
   - YES - What are you using?
2. How is it working for you?
3. How much does it cost?
4. What would make it better?
5. How is the growing threat to security affecting your business?

2. Collaboration

1. Are you documenting?
   - NO - Why?
   - YES - What are you using?
2. How is it working for you?
3. How much does it cost?
4. What would make it better?
5. As you grow how do you see collaboration in your business changing?

3. Efficiency

1. How much time are you spending looking for information?
   - How do you plan on reducing this time?
2. How long does it take to onboard a new employee?
   - What are you doing to shorten the time it takes to onboard a new employee or make processes more efficient in general?
3. Have you ever had someone away and couldn't find the information you needed?
   - What does it cost your business when staff can't find the information they need to perform their jobs successfully?

4. Process Optimisation

1. When is the last time you had a vacation? Or how many vacations did you take last year?
2. Are you always working and having trouble finding time to get away?
3. How are you finding ways to run your business more efficiently?
4. Many of our clients are reporting problems with Documentation & Process. How are these areas affecting you? How do you plan to overcome these challenges?
