

# Kube Teams Connect

## What Microsoft Teams Solution Is Right For You?

Learn more about Microsoft Calling Plans and KubeNet's Direct Routing service, Kube Teams Connect to understand which solution is right for your business.

## Microsoft Calling Plans

### What you'll need:

- Microsoft Business licence, including Microsoft Teams
- Phone System licence
- Microsoft Calling Plans

### Pros:

- All communications are provided from a single supplier

### Cons:

- Limited Calling Bundles
- More expensive than alternative options
- Risk of bill shock
- Limited number porting

## Microsoft Teams Direct Routing

### What you need:

- Microsoft Business Licence, including Microsoft Teams
- Phone System Licence
- Microsoft Teams - Direct Routing Bolt On

### Features:

- Better calling bundles than the Microsoft Calling Plans
- More cost effective than the Microsoft Calling Plans
- Consistently reliable call quality
- Numbers are easily ported
- 01, 02, 03 and 08 termination with no number translation
- International calling solutions
- Carrier-class resilience and availability
- Full management support, from end to end.
- Fully flexible and resilient
- Omnichannel recording capabilities
- Calling statistics available
- Access to full Microsoft suite with enhanced support
- Disaster recovery plans as standard
- Integrates with PBX
- Flexible licence and billing options
- Contact Centre functionality

## Still not sure?

No need to worry, we're here to help!

Get in touch today to talk to our team and we will help you choose the right solution for your business.

And, as a Silver Microsoft Partner, we can get you a better deal than going direct to Microsoft, saving you money no matter which solution you choose.

We listen to you, understand your needs and then deliver the right solutions for you.
